

The International Pass

CHANGE IN PEOPLE, CHANGE IN ORGANIZATIONS:
LEARN ABOUT THE MAJOR CHALLENGES OF THE FUTURE

- A training program in English that gives access to thecamp's unique ecosystem and to workshops that allow participants to prepare themselves in an agile way for the challenges of tomorrow

- Four 2-day workshops, which can be attended as a series for a better transformation impact, or individually

- Unconventional experts from around the world, innovative learning methods and a stunning location to build an international community (plus surprise guest speakers!)
